SIR,

In forwarding herewith a copy of letter No.1 dated 1/43, July 1932 to attend with its enclosures received from the Vice President of Ayurvedic and Unani College, Mysore regarding the enhancement of the pay of ----- Ayurvedic ward-assistants to Rs.50/- per annum, I have the honour to state that as per scale sanctioned during the re-organisation of the college in 1928, the Ayurvedic ward-assistants are getting a pay of Rs.35/- only per annum. But when a Unani Hospital was also started as an adjunct to the college, two Unani ward assistants were entertained on Rs.50/-each per annum as there was a paucity of trained Vaidus for employment (vide G.O. No.2496-97/Muz.111-30-20 dated 15/16th May 1931). The Ayurvedic ward assistants, who are both qualified midwives of the college and have put in more than two years of service, represent that they should be paid the same pay as the ward assistants in the Unani Hospital attached to the college with effect from the date of their getting their pay also to Rs.50/- per annum. In the circumstances explained in their petition they seem to have a fair case for favourable consideration.

2. In view of the above position I have no objection in the matter, however, if there is no objection from the Medical Department, sanction of Government may be accorded to the pay of the ward assistants of the Ayurvedic College, Mysore being raised to Rs.50/- per annum, the extra cost being borne by the Muzrai

out of the savings under establishment charges.

I have the honor to be,

Sir,

Your most obedient servant,

J. McJagow
